## THE PATH TO INDULGENCE

THE ALLISON SPA AT THE ALLISON INN & SPA (NEWBERG, OR)

### Getting Equipped

WRITTEN BY JULIE KELLER CALLAGHAN

◀ **FRACTORA FIRM**

Commonly used on the face and neck, this professional treatment from Invasix utilizes radio-frequency energy to produce a contraction in the deepest layers of the skin. During treatment, new collagen formation is stimulated to improve and smooth the skin's surface. [www.invasix.com](http://www.invasix.com)
